

INT.FAMILY ROOM- LATE NIGHT

Jimmy is a teenage boy who is obsessed with technology. His parents think technology is annoying.

MOM (TO JIMMY)
It's family game night, we're playing LIFE- no technology!

Jimmy slowly walks out of his room moping.

DAD (TO JIMMY)
The game of LIFE is awesome!

JIMMY (TO FAMILY)
Board games are old school-boring!

NARRATOR (V.O)
Later, during the game, Jimmy drew a career card from the deck.

MOM (TO JIMMY)
What career did you get?

JIMMY (TO MOM)
I am a spy-cool! Spies use the coolest and newest technology!

BAM! FLASH! Lightning strikes down onto the board game.

MOM (TO DAD)
Whoa, what was that?

DAD (TO MOM)
Lightening, I think. It struck the game board, but nothing happened. That's really weird!

Confused, they finished the game and went to bed.

EXT. JIMMYS HOUSE- EARLY MORNING

Jimmy stepped outside when suddenly, a mysterious man approached him and handed him an envelope.

MYSTERIOUS MAN (TO JIMMY)
You know what to do with this!

The man walked away, never to be seen again.

JIMMY (TO HIMSELF)
The mail's here, I guess. Things are getting really weird!

INT. JIMMY'S HOUSE- EARLY MORNING

He began opening it, but then heard knocking at the door.

JIMMY (TO MAN AT THE DOOR)
Who is it?

MAN AT THE DOOR (TO JIMMY)
Sir, I need to come in- NOW.

JIMMY (TO MAN AT THE DOOR)
Who are you, and what do you want?

MAN AT THE DOOR (TO JIMMY)
Just let me in, or else!

JIMMY (TO MAN AT THE DOOR)
I'm going to call the cops!

Out of nowhere, the man broke the door down.

MAN (TO TWO OTHER MEN)
Get him, and get that envelop!

Before Jimmy knew it, three men were running after him. He quickly hid the envelop into his back pocket

MAN (TO THE TWO OTHER MEN)
There he is, get him!

Within seconds, Jimmy was surrounded knocked over the head.

INT. LABORATORY- MID DAY

Later, Jimmy woke up in a creepy laboratory.

JIMMY (TO HIMSELF)
Where am I?

MYSTERIOUS MAN (TO JIMMY)
Well, agent Jim-bomb1001, a.k.a.
Jimmy! Yah, that's right, I know
your real name. HA! HA! HA!

JIMMY (TO HIMSELF)
What? The game, my career card, it
must have come true. I am a spy!

MYSTERIOUS MAN (TO JIMMY)
Anyway, my name is Dr. Oldonold
Schooleo, call me Dr. Old School
for short. And by the way, I have a
degree in eviloligy. That proves

(CONTINUED)

MYSTERIOUS MAN (TO JIMMY) (cont'd)
I'm REALLY evil. Ok, so, onto my
evil plan... I have a slideshow
presentation prepared on my laptop.
As you can see, I will use this
technological device I call, the
old booger, to destroy all the
technology in the world.

JIMMY (TO DR OLD SCHOOL)
But why?

DR OLD SCHOOL (TO JIMMY)
First of all, I'm bored, but also,
I'm very annoyed with all of the
texting, tweeting, and Facebook.
But, the most annoying thing ever,
is selfies. I mean, what happened
to face to face communication? So,
I'm destroying all technology!

With you gone, supposedly one of
the best spies in the world, my
evil plan will work. Minion, get
rid of him!

The Minion walked Jimmy to the back door of the lab.

MINION (TO JIMMY)
I'm sorry I have to do this, I know
that you just got here.

The minion opened the door.

MINION (TO JIMMY)
GO! GO! The boss said to get rid of
you, so leave. Go now!

JIMMY (TO MINION)
Um, yah, ok.

Confused, but relieved, Jimmy left the laboratory.

MINION (TO DR OLD SCHOOL)
It's done sir.

DR OLD SCHOOL (TO MINION)
Good, where did you dump the body.

MINION (TO DR OLD SCHOOL)
Yes, he's free.

DR OLD SCHOOL (TO MINION)
What?

MINION (TO DR OLD SCHOOL)
I wanted him to stay, but you said
to get rid of him, so I did.

DR OLD SCHOOL (TO MINION)
You are so annoying.

MINION (TO DR OLD SCHOOL)
No, I'm awesome!

DR OLD SCHOOL (TO MINION)
You're also fired, get out!

EXT.LABORATORY- MID DAY

JIMMY (TO HIMSELF)
I need a plan to get back into the
lab to stop Dr. Old School. He is
starting to sound like my parents.

Wait, the envelope is still in my
back pocket. They didn't get it.

Jimmy opened the envelop. There was an automated recording.

RECORDED MESEGE (TO JIMMY)
Hello agent Jim-Bomb1001. Your
mission (should you choose to
accept it) is to break into Dr. Old
School's laboratory and stop his
evil plan. Go through the air
vents, not the sewers (well, let's
just say you won't come out
smelling very well if you take the
sewers). Use the iPOD in the
envelope with the awesome spy theme
song. You can play it on your
mission to look cool. This tape
will self destruct in 5 seconds.

JIMMY (TO HIMSELF)
WHAT THE!

Jimmy threw the tape only moments before it blew up.

JIMMY (TO HIMSELF)
Well, that tape helps a lot!

INT.LABORATORY- MID-DAY

Jimmy crawled through the air vents and played the theme song. The music was loud, and Dr. Old School's Minions could hear it.

MINION#1 (TO MINION #2)
Hey do you hear something?

MINION#2 (TO MINION #1)
Ya, but it's probably nothing, I mean, it's not like it's going to stop our evil plan.

Jimmy saw Dr. Old School and tried to sneak up on him, but he was stopped by an invisible force field.

DR OLD SCHOOL (TO JIMMY)
HA! You can't stop me. Say good-bye to your precious technology!

JIMMY (TO DR OLD SCHOOL)
No! I know technology can be annoying to old people, but you don't even know how much it helps you. You wouldn't even have an evil plan that worked without technology.

DR OLD SCHOOL (TO JIMMY)
Holy poatatos, you're right! I didn't even think about all of the technology that I use. I guess that not all technology is annoying!

Dr. Old School shut down his plain and let Jimmy free.

JIMMY (TO DR OLD SCHOOL)
I'm still taking you to jail.

INT.FAMILY ROOM- LATE NIGHT

Jimmy woke up seeing his family playing the game of LIFE.

MOM (TO JIMMY)
You must have found this game boring because you fell asleep.
